## TWO STYLES OF DINING

### BENTO BOXES

These all in one meals ensure your guests have access to a meal packed just for them, in one convenient, eco-friendly box. Chopsticks, soy sauce, wasabi and pickled ginger are included, of course!

### PARTY PLATTERS

Let your guests fill up their own plates with an assortment of rolls or nigiri. Each platter comes packed with sushi for about 8-10 guests and we'll bring the soy sauce, chopsticks, wasabi and ginger.

An 18% Service Charge is applied to all delivery catering orders and all pick up orders of \$500 or more. Of the 18% "Service Charge" applied to your bill, 8% is applied towards offsetting additional operational expenses associated with catering orders (additional staff for food preparation, packaging and coordination). 10% of the applied "Service Charge" tips out our service staff and chefs who assisted with preparing and/or delivering your order.
